OUR CONTINUED RESPONSE AND SUPPORT

Volant is managing COVID-19 impacts to maintain a reasoned balance between personal, community and business health. This is our top priority across all our locations.

Our operational capability is strong enough to actively meet demand and fulfill customer commitments. Understanding that the prevailing situation is fluid and can change without warning, know that we are committed to treating the health of our business and that of our customers as a significant priority.

Please continue to contact us by phone, email or through the website for all orders and requests.

Our facilities are secure and we are actively managing the risk of COVID-19 transmission through hygiene disciplines and screening protocols. Our employees have been asked to follow best practices to prevent the spread of COVID-19 and other illnesses. If you need to visit us in person, we kindly ask that you also adhere to these best practices, including; avoiding handshakes and maintaining a six-foot distance from others when possible.

Volant remains committed to the well-being of our employees and customers while we continue to work together. As always, please reach out to let us know your needs.

Stay safe and strong!
